

Postdoctoral Fellows Program

Application Instructions

C2B2 Postdoctoral Fellows Program Applications must be submitted online

- ❖ Applicants should submit **ONLY** one application
- ❖ All attachments are **REQUIRED** at the time of submission

A complete C2B2 Postdoctoral Fellowship Application Package requires the following:

Online Application, which requires the following attachments:

- Applicant Curriculum Vitae
- C2B2 Sponsoring Project Investigator Curriculum Vitae
- Research Proposal (2 pages)

This research project proposal should include all pertinent information about the project which you plan pursue with your Sponsoring C2B2-PI if selected as a C2B2 Postdoctoral Fellow. You should consult your C2B2 Sponsoring Principal Investigator in the development of this proposal. Proposals will be reviewed by a panel of academic scientists who are experts in the field of bioenergy.

Your 2-page Research Project Proposal should meet the following format requirements:

- ❖ 10 or 12 pt. Font
- ❖ Arial or Times New Roman Font
- ❖ Single Line Spacing
- ❖ 1-Inch Margins
- ❖ 2-page limit **DOES NOT** include cited references, figures or tables.

Header must include:

1. Applicant Name
2. Sponsor PI Name
3. Proposed Home Institution (CU, CSU, CSM, or NREL)
4. Research Project Title

2 Letters of Recommendation

**Please note: Letters of Recommendation may be submitted via U.S. Mail or e-mail. U.S. Mail submissions must be signed and received in a sealed envelope from the recommender. Electronic submissions must be received directly from the e-mail of the recommender.
